Professional Experience

WebReich   **Feb 2024 - Present**
Community Founder and Tech Lead At WebReich
Visionary leader and sole architect behind Webreich, an innovative online coding community.
From website creation to content production , I organized and self-taught coding using free resources, sharing knowledge with fellow students.

NullClass   **Mar 2024 - Present**
Frontend-Web Developer
During my internship at Null Class, I am currently focusing on frontend technologies such as the React.js framework. The culture at Null Class is highly supportive, providing me with comprehensive training sessions before commencing the internship, which I find to be the most beneficial aspect of this experience.

Dainmart   **Jan 2024 - Feb 2024**
Web Developer
During this Internship at Dainmart, I collaborated on a real-time e-commerce project, working under guidance to update their website.
